About the company

FRUTTI fruit jelly was first made in 2011 and produced under the well-known brand Navro'z. Initially, the company was engaged in the production of roasted sunflower seeds, which is relevant even these days. Navro'z company owns a 4000 square meter production facility and has 100 workers.

FRUTTI is one of the largest and high-quality manufacturers in Uzbekistan with a large assortment of fruit jelly and has high-tech automated equipment that meets international standards. Company expands its product range and volume every year, and now is an exporter to countries such as: Kazakhstan, Kyrgyzstan, Tajikistan, Afghanistan, Turkmenistan, Russia, Armenia and negotiating the supply of its products to Arab countries and countries of Africa.

FRUTTI imports 90% of all its raw materials, thoroughly controls the quality of the goods and has been the owner of the Halal certificate and the international standard ISO 22000:2018 since February 2023.

The company's goal is to take a leading position in Asian countries in terms of producing fruit jelly.
